FASHION SHELF: (With MDF Shelves)

实景应用 Application

CF-KQ01 (Wall Shelf)

钢木结合STEEL-MDF-COMBINATION

CF-KQ02 (Wall Shelf)

钢木结合STEEL-MDF-COMBINATION

CF-KQ03 (Wall Shelf)

CF-DS01 (A-shape shelf)

CF-ZD01 (Island Shelf)

CF-DS02 (Cart shelf)

CF-ZD02 (Island Shelf)

ISLAND SHELF: (With MDF Shelves, Steel Shelves, Glass Shelves)

GM-ZD01 (1.65H Island)
钢木结合STEEL-MDF-COMBINATION

产品特点 Peculiarity

Place of application	Shelves	Surface treatment	Colour
Shopping malls and supermarkets	☒ MDF ☐ steel	Epoxy resin powder coating	☒ Frosted black ☐ Other

规格及技术参数 Specifications and technical parameters

GM-ZD01 Single-sided (End board)			GM-ZD01 double-sided (Main shelf)		
L	W	H	L	W	H
1000	70	1650 1800	900 1200	970	1650 1800
GM-ZD01 Single-sided (End shelf)			GM-ZD01 double-sided (Additional shelf)		
L	W	H	L	W	H
1000	450	1650 1800	900 1200	970	1650 1800
Main material: MDF + Q235Cold-rolled sheet+Iron pipe					
Surface treatment: 1. Epoxy resin electrostatic treatment, thickness of 60-80 mm, electrostatic powder adhesion GB2865-88 standard level 0. 2. The hardness (wear resistance) is more than 100 times that of ordinary nitrate paint, reaching GB6739-86 standard 2H. 3. Corrosion resistance (salt spray test) GB1771-91 > 500 hours					

Note: All sizes can be customized, the above sizes are regular sizes.

© GZLI island cabinet

Island cabinet is powerful in display area. It applied independent design with stability. It requires only a flat ground to place itself. With movable characteristic, it can be used alone or in group. Matched with scientific and practical layer board, you can store and fetch object easily. The elegant way of display create happy shopping experience for consumers.

H002-A ISLAND CABINET
Size:L1000xW400/500xH1500mm

H002-B ISLAND CABINET
Size:L1000xW650xH1500mm

H002-C ISLAND CABINET
Size:L2600xW650xH1500mm

H002-D ISLAND CABINET
Size:L2600xW650xH1500mm

H002-E ISLAND CABINET
Size:L2600xW650xH1500mm

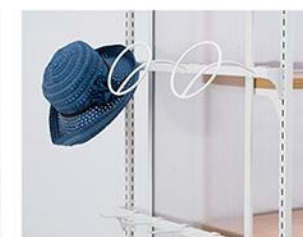

Functional and changeable rack

The rack can change the way of display. The rack of GZLI applied scientific platform design. Matched with different boards, drawers, stick hanger and layer board, it can freely create the display space for each commodity. It is elegant and convenient, saving the market owner's cost of changing the rack.

H002-F ISLAND CABINET
Size:L2600xW650xH1500mm

Product Details

GZLI three layer movable table

The tower design shows simplicity and magnificence. It is movable and stable. Matched with standardized components such as acrylic box and pyramid display rack, it expands the function of promotion table and arises the desire of consumers.

H004 SMALL MOVABLE TABLE
Size: L1200xW1200xH1458mm

H004-A SMALL MOVABLE TABLE
Size: L1200xW1200xH700mm

H004-B SMALL MOVABLE TABLE
Size: L1200xW1200xH1068mm

H007 THREE LAYER BUCKET
Size: L550xW550xH1400mm

H009 FIVE LAYER RACK SERIES

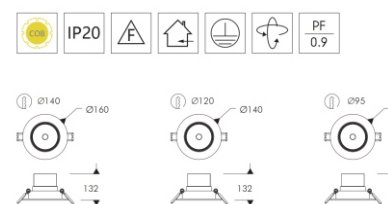

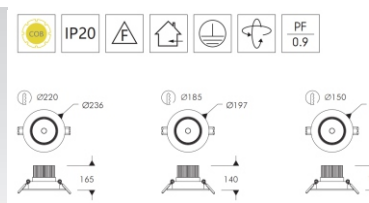

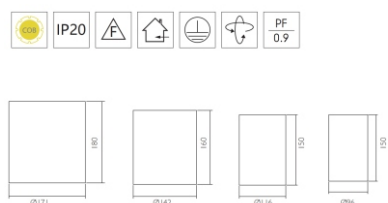

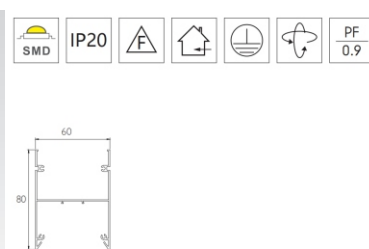

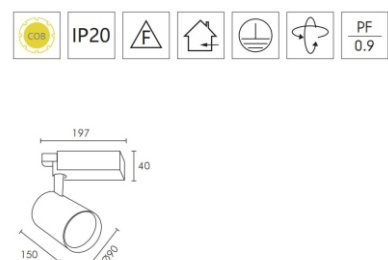

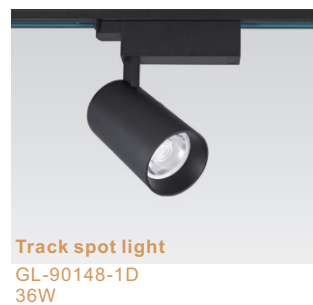

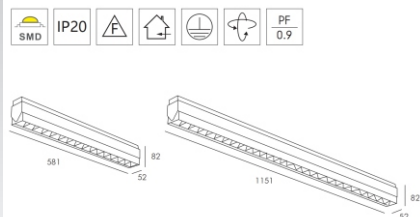

H11 "A" TYPE RACK
Size: L390xW390xH1370mm
